2X4 Furniture: Simple, Inexpensive & Great-Looking Projects You Can Make

Stevie Henderson

1994 128 pages (Sterling)

EAN / ISBN13: 9780806902944 UPC / ISBN10: 0806902949

Call #: 10 . Yellow

"Numerous woodworking books claim to teach the beginner how to make easy and useful projects with cheap materials. While many fail to live up to these claims, this excellent book does. A variety of projects are covered. The material on tools and techniques is straight-forward. This book will interest woodworkers of all skill levels."—Library Journal

Two Libraries – one for books and one for DVD's

Initially, the books are ordered alphabetically by Title

The screenshot shows the DuPage Woodworkers website interface. At the top, there is a navigation bar with the site name, a search bar, and a 'Patron Login' button. Below the navigation bar is a search bar with the text 'Search all collections' and a dropdown menu for sorting, currently set to 'Title'. A horizontal menu of letters (A-Z) is visible below the search bar. The main content area displays a grid of book listings. The first listing is '2X4 Furniture: Simple, Inexpensive & Great-Looking Projects You Can Make' by Steve Hildesheim, with a 'furniture' tag. The second listing is '25 Essential Projects for Your Workshop' with a 'workshop' tag. The third listing is '48 Great Scroll Saw Projects' by Patrick Spielman, with a 'Book by Spielman, Patrick' tag. The fourth listing is '101 Do-it-yourself Projects' with a 'woodworking projects' tag. A 'Collections' sidebar on the left shows 'Books' and 'DVD's' options.

Filters . . .

1. Clicking on the Filters button opens up a new window on the right side of the screen.
2. Click the radio button by “Book” or “Movie” to limit the filter to just that library. Leave them blank to find all.
3. Click on the squares below “Tags” to look for those items with information about that tag. You can select multiple filters.
4. The numbers to the right of the tag shows how many items are in the library.
5. You can easily search to find the tag you want by typing the name in the “Filter Tags” box.
6. When you click on a box, the items will show up in the main window.

The screenshot shows a library website interface. At the top right, there is a "Patron Login" link and a shopping cart icon with the number "0". Below this, a "Filters" sidebar is open, featuring a "Filters" button with a funnel icon and a "Clear all" button. The sidebar is divided into sections: "Type" with radio buttons for "Book" (369 items) and "Movie" (124 items); and "Tags" with a search box labeled "Filter Tags" and a list of tags with checkboxes and item counts: "all about wood" (10), "band saws" (11), "bird houses & feeders" (2), and "cabinet making" (26). The main content area on the left is partially visible, showing a search bar with "tags: furniture" and a list of search results.

Searching . . .

1. Enter a word in the Search box . . . And either use the Enter key or click on the magnifying glass icon.
 - a) You will get a list of all the books with that word in either the title or the description.
 - b) Use complete words
 - c) Plural words will give different results than singular – “Toy” and “Toys” will give two different lists
 - d) Enclose in quotes for an exact match of multiple words
2. Note the number of results in red letters under the Search Box
3. Note the Call # to see where the item is located.
4. Click back on the Library Name at the left to return to the full list.

Carving is an area of woodworking that has wide appeal and can start as simply as whittling figures with a pocket knife. Since the cost of entry is so low, many people are willing to give it a try. But some people are put off by the conflicting information about what tools to buy, how to sharpen them, and by the bewildering range of carving styles. This book, with its common-sense approach to tools and sharpening, and its broad survey of the many styles is the perfect introduction for the novice [...]

power tools - use & projects

Description

Air-powered tools—air nailers, impact wrenches, spray guns, sanders, and drills—are quiet, cool, powerful, incredibly speedy and efficient. And, you'll feel perfectly secure handling them when you know the necessary precautions outlined in the first-ever real guide to this popular equipment. Look over the different types of compressors, their incredible range of accessories and jigs, the basic and advanced operations, and simple maintenance procedures. The book is just packed with tips!

Checking a book out . . .

1. When you find an item you'd like to check out, note it's Call #. The library is organized by these color/number combinations.
2. Find the book in the Cabinet
3. Take it to a librarian
4. Fill out the card inside the front cover (or on the outside of a DVD/CD) with your name and date and leave that with the librarian.
5. The books are due at the next meeting
6. You will get an email notice when the book is about due as a reminder to bring it with you to the next meeting.

Checking a Book back in . . .

1. Books or DVD's are due back at the next scheduled meeting.
2. When you bring an item back, leave it with a Librarian.
3. They will check it back in on the system and re-shelve the book.
4. If a book has a hold on it, it will be set aside for the other Patron to pick up.
